

Kids Finish First presented by UofL Health is a program that helps instill the habit of exercise centered around the half marathon distance of 13.1 miles.

Youth walk, jog or run 12 miles over a six-week period, then complete the final 1.1 miles on a secure course, receiving a medal and post-race celebration with food and hydration after crossing the finish line.

Since 2012, nearly 4,500 local kids have participated in this program.

Organizations taking part include:

- Audubon Elementary
- Blue Lick Elementary
